## From the Chrysalis Community Lay Director....

Brothers and Sisters in Christ, we are off to another year of walks and flights in the Chesapeake Community and we enter the Lord's work with great anticipation and joy. The Lay directors for Chrysalis Flights # 25 this fall are Paul Hayes and Kristi Rada. Their teams are currently having meetings at St. John's UMC on Sunday afternoons. We would ask that you keep them in your prayers for team unity and focus, leadership with discernment and a spirit of humility to be upon their hearts. We go forth in full knowledge of the fact that Jesus the Risen Lord is the reason, the power and the hope for these weekends. Our teams are well aware that the prayers that you lift up to God for them, along with their own prayers are the fuel and the source of the anointment that the Lord will pour out upon these servants. Paul and Kristi have covenanted together to fast and pray on Thursdays for these weekends and invite all of us to join them as well as an act of agape for them and an act of obedience to God.

I want to take a few lines to ask you to pray about sponsorship of young people on these weekend flights. It seems to me that we always just get enough names at the last minute to hold a flight. I know that in this entire Chesapeake Community, we can surely do better in this Holy endeavor for the building of the Kingdom for the Lord. Remember that Chrysalis is a "next step" for a youth in their walk with Jesus. While Emmaus is very much about leadership building for the local Church, Chrysalis is more about building of a young person's faith in the hope that this will lead to involvement in his local Church and discipleship for life. It is true that some youth will give their life to Jesus on these weekends and we

certainly rejoice with all of Heaven when that happens. Chrysalis sponsorship has to be as serious and as well thought out as Emmaus. The sponsor must make certain that the youth is ready to go because he desires to grow in Christ, not just to make someone else happy, which many times leads to a disappointing experience for the youth that was not sponsored well, and also can adversely affect the flight of those who do desire to be there. I ask all to pray and seek out those youth who are ready for that "next step" in their life with Jesus and sponsor them and give them this very unique and special gift of love that is life changing.

I want to thank all of you for your support for the Chrysalis Community and your acts of agape love through all you have done and all you will do. Each act of agape will have an effect on someone during these flights. Your presence at an event, your name on a Prayer Butterfly that one reads at just the right moment when he needs to know he isn't alone, that letter, snack, gift or your service on a team is what God uses to touch a young heart that may have never felt the love of Christ before. I believe that any act done in the name of and for the name of Jesus Christ, is capable of transforming a life of brokenness into a new life filled with hope and promise. It boggles my mind to think that God could use you and me to change the direction of a life that may have ended with a sentence of destruction, into a life along side the Risen Christ, FOREVER!

We look forward to seeing you at the Chrysalis events this fall and spring. Thank you for your love and support.

Fly with Christ!  
Bob Timms
